DATE : 13TH JANUARY, 2006

P.C.

1. In the order dated 25th November, 2005 in Writ Petition No. 2998 of 2004, the respondents were directed to give break up of the sum due and payable by the petitioner. The learned Counsel for the respondent submits that by the letter dated 13th December, 2004, they have furnished all the details to the petitioners giving carpet area and the amount of the rent block wise and also given formula for calculation of the ratable value of the block. On the basis of all these information, the learned Counsel for the respondent submits that the petitioner can calculate the sum due and payable by the petitioner flat- wise. The learned Counsel for the respondent clarifies that the area in meters which is given against each of the block on each floor is the carpet area. She further submits that the petitioner can calculate the sum due and payable by the petitioner flat wise. Therefore, respondents submit that the respondents have complied to the order and therefore contempt petition may be disposed off.

2. In view of this contempt petition stands disposed of as the order having been complied.
